

## BRYAN D. GIBSON

RA, VP | ARCHITECT

bgibson@hagersmith.com

919.838.5122

"Great architectural design does not get off the ground if it can not be properly communicated to the client"

### KEY PROJECT EXPERIENCE

Siemens Medical Solutions, Cary, NC  
Schematic design of 150,000+ sq.ft. office space, Revit BIM model CDs and pre-construction renderings.

Keystone Centennial Science Center  
Centennial Campus, NCSU, Raleigh, NC  
Project Architect for 150,000+ sq.ft. lab space and parking deck.

Crescent Lakeside II, Cary, NC  
Project Architect for 80,000+ sq.ft. office building

### Bio

Mr. Gibson brings 12+ years experience in design, producing construction documents, project management, and construction administration. Bryan has been involved in the design of a wide variety of project types. He has a strong background in conceptual design through the use of three dimensional computer modeling. He has managed the Architecture Group since 2010, and has recently been made a partner in the firm.

### Education

Ball State University | Bachelor of Architecture

### Registration
